Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Thursday 12 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Some sunny spells but chance of light rain at times.

Today:
Plenty of fine and dry weather for much of the region, but a band of low cloud pushing in from the west will bring drizzle for some around midday. Temperatures around normal for this time of year. Maximum temperature 21 deg C (70 deg F).

Tonight:
A mostly dry night with clear spells for many, but potential for light showers around. the Bristol channel. Winds easing and feeling fresh. Minimum temperature 14 deg C (57 deg F).

Friday:
A cloudy day expected for many, with the chance of light rain and drizzle, particularly along the coasts and in upland areas. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Fine weather on Saturday though cloudy at times. Mostly dry conditions on Sunday although chances of showers, with some longer spells of rain likely on Monday.
